

Loren A. Smith Jr. is the president of Skyline Policy Risk Group, a consulting firm working on the supply chain, infrastructure, and technology. From 2017 to 2021, he helped lead the Policy office at the U.S. Department of Transportation. There, his work included serving as DOT's chief environmental review permitting officer; chair of the management teams on rural transportation and Opportunity Zones; and as a member of the task force on regulatory reform. From 2009 to 2016, he was an analyst for Capital Alpha Partners, an investor research firm. There he specialized in transportation and related areas and published more than 500 research notes. He has also worked as a congressional staffer and as an aide at the U.S. Department of Labor.

Loren A. Smith, Jr.

President
